Description

New Stock Car Front Bumper pack

New design Stock Car Front Bumper set for the front of a Oval 1300/2lt or Mini. Will fit most scratch built cars. Made from High Impact BLACK 6mm Nylon.

Now comes with 5 fixings. Bolts and nuts supplied , bolted right through - no self tapping screws

Rear Bumpers available seperately V15R.

CNC routed and drilled so very accurately made. Designed to withstand very large impacts. 160 mm wide for maximum protection of the wheels.

Often Copied but never Bettered. As used by national champions
