V12 Sidecar: V7DWS - High Strength Steering link set

Description

New Mandave Tumbuckles Ball & Cup set make this the best and smoothest and strongest Track Rod set for Oval racers

3mm threads & Nyloc nuts are used .

Chrome balls with top notch cups give a superb fit so no jamming of steering.

Tumbuckle rods mean you can adjust the track without removing the ends

Requires opening out your steering blocks as threads are 2.5mm.
