VRX500C Side Spring Update set (Carbon)

Mardave VRX OeS VRX500C Side Spring Update set

This kit gives better stability whilst helping with more setup options.

There is NO chassis change so little cost to update older cars and we have addressed also the breakages of the side battery bars in this Kit Update.

Included

Pod Base plate GRP - Side Bars carbon - Springs - Fixing kit

Please Note the rear screw of the side braces needs to be removed and the bars reduced ***
