Description

New Pod plates for all classes.

GRP Version

Base

On the back of the success of the Hot Rod class base plate.

We have decided to release a range of plates to fit all classes of our cars.

These come in Grillon & Grp with 5 &10.5 mm lift on front mounting ball.

You may have noticed on most of recent chassis plates two extra holes for mounting these new plates.

the additional holes can be drilled so no need to re chassis older cars. V8B also reqd
